SPIRIT OF CURLING PIC OF THE WEEK

We are back, baby!

Standings and league season schemes are a bit up in the air, but I am recording scores and documenting as best I can.

Please keep the scores coming in, and when possible give me team names.

Thanks!

SUBSTITUTE AND FORFEIT PROTOCOLS

- 1- It is each individual person's responsibility to email the LC when they cannot attend. Please do not have a teammate do it for you. Please make sure you tell me your name, what team you are on, and what day and session that is, as well as the date you cannot make it. Obviously as soon as possible is always best.
- 1a- If a team knows they need a sub and they wish to arrange for one themselves, that is permitted provided:
- -the sub they find is a current paid member of GNCC and BLCC, meaning they have paid their dues and paid for at least one session that season/year (i.e. Nov-Mar)
 - -the team informs the league coordinator of the substitution as soon as possible.
- 2- You should expect me to respond to calls to play as a sub in the affirmative only, although as a courtesy I may respond in the negative if I can. If you do not hear from me in 24 hours, you can assume someone else has taken the spot. On the other hand, responses that have been "passed over" will be considered first on the list if a new person calls out for the same date and time. I will then respond in the affirmative to the next in line. Please let me know ASAP if I was too late in responding and you cannot make it if I get back to you, say, 48 hours after you responded to the original call.
- 3- To be fair to all, I will primarily "award" sub spots on a first-come-first served basis. But if the the first person to volunteer has subbed in any of the last 4 opportunities to sub, I will hold their offer in abeyance until someone else offers. If, however, they are the only taker 48 hours after the call went out or 24 hours before the game (whichever comes first). I will award them the soot.
- 4- When a substitute is placed on a team the sub will play "lead" on that team. If there are two subs they will play lead and second. If the team, with a sub, is a team of 3 that night, the standard rules for teams of 3 will apply. If there are 3 subs on a team of 4, or two subs on a team of 3, then as defined below the game is already forfeited and those who are there are encouraged to play a "non-league scrimmage". Enjoy the sheet but please respect the games in the adjacent sheets.
- 5- If a team cannot put 50% of it's actual members on the ice for a game, the game is forfeited. If they cannot put 3 players (using subs) on the ice for the game, the game is forfeited.
- 6- Since there would be a player in an "unpaid" spot, teams of 3 cannot have a "sub" as their fourth player.

Handling of Forfeited Games Scores: (this will only be done if needed to decide tie breaks for playoff or final 1st, 2nd or 3rd positions). At the end of the "regular season", or the week before the playoff in the 6-team leagues, the opposing team will be awarded with a win that is based upon the line score of their "average win" during the season. "Average win" is defined here as a "win" with:

- 1- ((points scored in wins)/games) rounded up (or truncated with a 1 added)
- 2- ((points surrendered in wins)/games) rounded down or truncated and
- 3- ("ends won in all"/games) rounded up, or truncated with a 1 added.

With the exception of "ends won" the numerator will be taken only from games won.

The forfeiting team will be awarded with a loss at the end of the "regular season" that matches their "average loss" (points scored in losses, points surrendered in losses, (ends "not won" in all/games) rounded down(or truncated). If there is no "average loss" or "average win" for the affected teams we will use the average win or loss for the entirety of their league night/session to get those values. "Best end" will be based only on ends actually played, so a forfeit does not effect the "best end" column.
